Incident description

I had arrived at the Delta Upsilon Fraternity House to take a test regarding the first chapter of the pledge manual. As I arrived I was yelled at that I had four minutes to take the test. I proceeded to sit in an open chair, moments later I was told it was a brother's chair so I got up. The brother [REDACTED] walked in and then forced me to Wall Sit while I took the test. I did not have time to finish the test, and subsequently I failed. [REDACTED]

[REDACTED] Along with both of these incidents there are also alcohol related ones. One of the members of the pledge executive board is a bartender at Knights Pub. [REDACTED]
We were repeated harassed to go to the bar by the brothers even though we were underage and they would make us take shots and very strong drinks (pledge drink). [REDACTED]
